

ELECTRIC VEHICLE LIMITED WARRANTY

POWER & PEACE OF MIND

FOR YOUR ELECTRIC VEHICLE

Limited Warranty coverage is an excellent way to protect against unexpected repair costs for a certain time and mileage period when purchasing a previously owned vehicle.

Our Limited Warranty offers valuable coverage that includes the most important and potentially expensive parts of the vehicle: the drive motor, electric power control unit, and charging system. Emergency roadside assistance is included.

POWERED BY

WHAT'S COVERED?

CHARGING

Onboard battery charging system • battery charge controller • battery service switch • charge port • voltage inverter reservoir • battery management system • three-phase high voltage cables, and fasteners for the components listed above.
